BUILDING AND PERSONAL PROPERTY COVERAGE FORM

A. COVERAGE

Covered Property, as used in this Coverage Part, means the type of property described in this section at the premises described in the Declarations, for which a Limit of Insurance is shown in the Declarations. Building means the building or structure described in the Declarations, including completed additions; fixtures, including outdoor fixtures; permanently installed machinery and equipment; and personal property owned by you that is used to maintain or service the building or structure or its premises.

A.2. PROPERTY NOT COVERED

Covered Property does not include: accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities; animals, unless boarded by you, or if owned by you, only as "stock" while inside of buildings; automobiles held for sale; bridges, roadways, walks, patios or other paved surfaces; contraband, or property in the course of illegal transportation or trade; the cost of excavations, grading, backfilling or filling; foundations of buildings, structures, machinery or boilers if their foundations are below the lowest basement floor, or where there is no basement, below the surface of the ground; land (including land on which the property is located), water, growing crops or lawns (other than trees, shrubs or plants used as building components in vegetated roofs); personal property while airborne or waterborne.

A.4. ADDITIONAL COVERAGES

The following Additional Coverages apply to property covered under this Coverage Part.

a. Debris Removal

The Company will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss. The most the Company will pay under this Additional Coverage is 25% of the amount the Company pays for the direct physical loss of or damage to Covered Property plus the deductible. An additional $25,000 is available if such amount is inadequate.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, the Company will pay for any direct physical loss of or damage to that property while it is being moved or while temporarily stored at another location. This coverage applies for a period not exceeding 30 days.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, the Company will pay up to $1,000 for your liability for fire department service charges assumed by contract or agreement prior to loss, or required by local ordinance. No deductible applies.

d. Pollutant Clean Up And Removal

The Company will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss. The most the Company will pay under this Additional Coverage for each described premises is $10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12-month period.

e. Increased Cost Of Construction

If the restored or repairing of damaged property is subject to enforcement of any ordinance or law regulating construction or repair of buildings, the Company will pay the increased cost of construction. The most the Company will pay under this Additional Coverage is $10,000 or the actual loss amount, whichever is less.

f. Electronic Data

The Company will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss. The most the Company will pay under this Additional Coverage in any one policy year is $2,500 or the limit shown in the Declarations for this coverage, whichever is greater.

A.5. COVERAGE EXTENSIONS

 © Standard Insurance Company

Coverage applies for up to 30 days after acquisition or construction begins.

b. Personal Effects And Property Of Others

e. Outdoor Property

f. Non-Owned Detached Trailers

The Company will pay up to $5,000 for direct physical loss of or damage to trailers that you do not own, provided that the trailer is used in your business and is in your care, custody or control at the described premises.

Note: Coverage Extensions apply only when the Declarations show Coinsurance of 80% or more, or when a Value Reporting period is shown.

B. EXCLUSIONS AND LIMITATIONS

See applicable Causes of Loss form as shown in the Declarations.

C. LIMITS OF INSURANCE

The most the Company will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations. The most the Company will pay for loss or damage to outdoor signs that are attached to buildings is $2,500 per sign in any one occurrence. The payments under the Fire Department Service Charge Additional Coverage, Pollutant Clean Up and Removal Additional Coverage, Increased Cost of Construction Additional Coverage, and Electronic Data Additional Coverage are in addition to the applicable Limit of Insurance and will not increase the applicable Limit of Insurance.

Coverage Limit	Amount
Building	$54,110,000.00
Contents	$30,320,000.00
Business Income	$57,954,000.00
Coinsurance	$80.00
Deductible	$50,000.00

D. DEDUCTIBLE

The Company will not pay for loss or damage in any one occurrence until the amount of loss or damage exceeds the Deductible shown in the Declarations. The Company will then pay the amount of loss or damage in excess of the Deductible up to the applicable Limit of Insurance. If two or more coverages with separate Deductibles apply to the same occurrence, only the highest Deductible amount will apply.

E. LOSS CONDITIONS

1. Abandonment

There can be no abandonment of any property to the Company.

2. Appraisal

If you and the Company disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser and notify the other of the appraiser selected within 20 days of such demand. The two appraisers will select an umpire. If they cannot agree upon an umpire within 15 days, you or the Company may request selection of an umpire by a judge of a court of record. A decision agreed to by any two will be binding.

3. Duties In The Event Of Loss Or Damage

You must see to it that the following are done in the event of loss or damage to Covered Property: notify the police if a law may have been broken; give the Company prompt notice of the direct physical loss or damage; as soon as possible, give the Company a description of how, when and where the loss or damage occurred; take all reasonable steps to protect the Covered Property from further damage and keep a record of your expenses; show the damaged property; permit the Company to inspect the property and your books and records; and submit to the Company, within 60 days after the loss, a signed, sworn proof of loss containing the information the Company requests.

4. Loss Payment

In the event of loss or damage covered by this Coverage Form, at the Company's option, the Company will either pay the value of lost or damaged property; pay the cost of repairing or replacing the lost or damaged property; take all or any part of the property at an agreed or appraised value; or repair, rebuild or replace the property with other property of like kind and quality. The Company will give notice of its intentions within 30 days after receiving the sworn proof of loss.

5. Recovered Property

If either you or the Company recovers any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to the Company the amount of the loss payment adjusted for any damage.

6. Vacancy

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage, the Company will not pay for any loss or damage caused by vandalism, sprinkler leakage, building glass breakage, water damage, theft or attempted theft. With respect to Covered Causes of Loss other than those listed, the Company will reduce the amount the Company would otherwise pay for the loss or damage by 15%. A building is "vacant" when it does not contain enough business personal property to conduct customary operations. Buildings under construction or renovation are not considered vacant.

7. Valuation

The Company will determine the value of Covered Property in the event of loss or damage as follows: at actual cash value as of the time of loss or damage, except as provided in the Optional Coverages section. Stock will be valued at selling price minus discounts and charges to which the stock would have been subject.

F. ADDITIONAL CONDITIONS

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies. If the Company determines that the value of Covered Property at the time of loss is greater than the amount of insurance required, the Company will not pay the full amount of any loss. Instead, the Company will determine the most it will pay using the following steps: multiply the value of Covered Property at the time of loss by the Coinsurance percentage; divide the Limit of Insurance applicable to the Covered Property by the figure determined in the first step; multiply the total amount of loss, before the application of any deductible, by the figure determined in the second step. The Company will pay the amount determined in the third step or the Limit of Insurance, whichever is less, minus the deductible. If the Coinsurance condition is not met, the penalty applies to each loss. This condition does not apply when the amount of loss exceeds the applicable Limit of Insurance.

2. Mortgageholders

The term mortgageholder includes trustee. If a mortgageholder is named in this policy, any loss payable under this policy shall be paid to the mortgageholder and you, as interests appear. If the Company denies your claim, that denial will not apply to a valid claim of the mortgageholder, provided the mortgageholder has notified the Company of any change in ownership,

occupancy or substantial change in risk; has paid any premium due under this policy if you have neglected to pay the premium; and has submitted a signed, sworn proof of loss within 60 days after receiving notice from the Company of your failure to do so. The Company will give the mortgageholder at least 10 days notice of cancellation because of nonpayment of premium, or 30 days notice of cancellation for any other reason.

G. OPTIONAL COVERAGES

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Agreed Value

If the Declarations show Agreed Value, the Coinsurance Additional Condition is suspended for the property specified in the Declarations during the Declarations period. The Company will pay no more than the proportion of loss that the Limit of Insurance under this Coverage Part bears to the Agreed Value shown in the Declarations. If the Declarations period expires without being renewed, the Coinsurance Additional Condition is reinstated automatically.

2. Inflation Guard

If the Declarations show Inflation Guard, the Limit of Insurance for property to which this option applies will automatically increase by the annual percentage shown in the Declarations. The amount of increase will be pro-rated daily from the effective date shown in the Declarations to the date of loss or damage.

3. Replacement Cost

If the Declarations show Replacement Cost, the following condition applies. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form. This option applies only to buildings and to business personal property owned by the Named Insured. It does not apply to stock or to personal property of others. The Company will not pay on a replacement cost basis for any loss or damage unless and until the lost or damaged property is actually repaired or replaced.

4. Extension Of Replacement Cost To Personal Property Of Others

If the Declarations show Extension of Replacement Cost to Personal Property of Others, the Replacement Cost optional coverage is extended to apply to personal property of others in your care, custody or control. This option requires that Option 3 (Replacement Cost) also be in effect.
